Asst. Commissioner for Patents
Box Missing Parts
Washington DC 20231

Attention: Examiner Tung

Sir:

While responding to the Examiner's questions regarding Applicants' December 2, 2002 response to the Restriction Requirement dated October 2, 2002, Applicants noticed that the Response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures filed on July 1, 2002 was inadvertently incomplete. To bring the above-identified application in full compliance with 37 C.F.R. §§1.821-1.825 and to expedite the further prosecution of the case, Applicants submit herein a Revised Sequence Listing in paper and computer-readable form to supersede the Sequence Listing submitted on July 1, 2002. Applicants respectfully request that the Examiner enter and consider the following amendments and remarks:
